REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

With regard to claim 1, the cited prior art of record fails to teach or suggest an inner sole device, the device comprising a first layer of fluid impervious material, a second layer of fluid impervious material and a sac arranged between the first an second layers, the sac containing a heat reflective material, wherein the heat reflective material is titanium dioxide.

The combination of Thedford and Huang disclose an inner sole device, the device comprising a first layer of fluid impervious material, a second layer of fluid impervious material and a sac arranged between the first an second layers.

Compodonico discloses a zinc oxide deodorant for use in athletic shoes. However, none of the references disclose a first layer of fluid impervious material, a second layer of fluid impervious material and a sac arranged between the first an second layers, the sac containing a heat reflective material, wherein the heat reflective material is titanium dioxide.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
